PRODUCT DESCRIPTION

MALA spotlight is a light fixture made of high-quality aluminum, intended for indoor installation. A simple and discreet model harmonizes with any interior design. Unobtrusive colors and design make MALA an optimal choice also when assembling exhibition spaces or shop windows. The movable head gives the possibility to direct its light beam in any direction, which is why this model is perfect for finishing both - apartments and utility rooms. In addition, MALA is easy to maintain and keep clean. Fixture dimensions: 55mmx100mm. Color black, matte. Compatible with the VIRONE light track systems. Also available in white. Equipped with a GU10

bulb holder.
