

**Multicolor, LCD 7" video monitor, handset-free, with gate opening function, for the extension of PLUTON series, black**

**ViRONE**

Marka: **Virone** | Symbol: **VDP-51MV** | Ean: **5908254801402**

## PRODUCT DESCRIPTION

Multicolor, LCD video monitor, with 7" display screen is perfect for the extension of PLUTON series. It does not require any handset, as you can talk to the person standing outside via a loud-speaking monitor. This device has an additional gate control function, that can be activated after connection of a gate opening unit. If connected as an additional monitor of the set, it enables intercom communication between the monitors.
