

## Single-family video camera with cards and proximity tags reader, for the extension of CETI systems

Marka: **Virone** | Symbol: **VDP-60KV** | Ean: **5900378658702**

### PRODUCT DESCRIPTION

Video camera for the extension of CETI systems. Built from a very durable material which guarantees its resistance to variable weather conditions. It has a wide-angle, multicolor camera, additionally equipped with bright IR diodes enabling excellent night vision. Once it is connected to CETI video-monitor, the device enables conversation between the camera and an internal panel, activation of gate control function, or opening of the door lock output directly from the video-camera panel. It has a built-in cards/proximity tags reader.
