

Video monitor, handset-free, multicolour 4.3" LCD screen, for the extension of ENIF series, gate opening

Marka: **Virone** | Symbol: **VDP-62MV** | Ean: **5908254807749**

PRODUCT DESCRIPTION

Multicolour video monitor with LCD 4.3" screen is suitable for the extension of ENIF series. This monitor does not require any handset and is operated via function buttons. Smooth adjustment of monitor parameters and 6 ringtones to choose from are great assets of the device. Upgrading the set with an additional monitor enables intercom communication between the monitors.
