Marka: **Virone** | Symbol: **VDP-66PMV/B** | Ean: **5908254824661**

PRODUCT DESCRIPTION

Color, LCD video-monitor, with 10" high-resolution display is perfect for the extension of BESAR series. It does not require any uniphone, as you can talk to the person standing outside via a loud-speaking monitor. The set has an additional gate control function, that can be activated without any auxiliary accessories. Users can

download a free TUYA app to manage the device directly from their smartphones.
