Marka: VIRONE by Miccell | Symbol: VQ-C48-006005 | Ean: 5908254853289

PRODUCT DESCRIPTION

Charge your devices on the road as quickly as at home. The Miccell VQ-C48 48W car charger allows you to **charge two devices simultaneously**. It will work in a passenger car, truck or camper – it operates in the voltage range of 12-24 V, so it fits most vehicles.

The USB-C port supports 5V/3A, 9V/3A, 12V/2.5A charging, and the USB-A port provides stable parameters of 5V/3A, 9V/2A, 12V/1.5A. Just connect your phone, tablet, navigation device or power bank for quick refilling.

The compact housing made of plastic and aluminium dissipates heat well and is resistant to damage.

The grey colour with a metallic finish gives it an elegant, universal look that suits the interior of any car.

Miccell VQ-C48 is a charger that is simply worth having at hand so that your navigation does not end halfway to your destination.
