

USB-A to Lightning cable Miccell VQ-D06, 2.4A, 1m, white

Marka: VIRONE by Miccell | Symbol: VQ-D06-004028 | Ean: 5908254853067

PRODUCT DESCRIPTION

Need a cable that just works? This white 1-meter USB-A > Lightning cable provides a stable connection and efficient charging. You can connect your phone, headphones, or tablet.

The USB-A/Lightning cable is used to charge and transfer data between Apple devices (iPhone, iPad, iPod) and a computer, charger or power bank equipped with a USB-A port.

The flexible design makes it easy to roll up, and the connectors hold well in the socket.

It works well in the office, car and at home, for everyday use and when travelling.
