

USB-A to Lightning cable Miccell VQ-D06, 2.4A, 1m, black

Marka: VIRONE by Miccell | Symbol: VQ-D06-004030 | Ean: 5908254853074

PRODUCT DESCRIPTION

Tidy up your cables and keep it simple. This black USB-A > Lightning cable is 1 m long – enough to conveniently connect your device without tangling.

Using USB-A/Lightning cable, you can connect your iPhone or iPad to a computer, wall or car charger to supply the battery or sync data. You can use it to charge Apple devices: iPhones 5 to 14 inclusive, some iPads and Mac accessories equipped with a Lightning connector.

The connectors are durable, well fitted and do not loosen with frequent use.

The cable is made of durable material that can withstand everyday bending and use without damage.
