

USB-A to Lightning cable Miccell VQ-D06, 2.4A, 1m, green

Marka: VIRONE by Miccell | Symbol: VQ-D06-004033 | Ean: 5908254853104

PRODUCT DESCRIPTION

This cable is designed to connect your iPhone, iPad or iPod to devices with USB-A port. It is great for synchronizing and creating back-up data. **Allows you to charge Apple devices such as iPhone, iPad, iPod with Lightning connector, AirPods wireless headphones, power banks and accessories with Lightning port, Apple remote controls and keyboards.**

This 1-meter USB-A Lightning cable arranges everyday charging and transferring of photos and documents.

It's easy to roll up without cable bending.

A pleasant shade of green enlivens the space and makes the cable easy to find.

Use as a main or backup cable for travel and work.
