Marka: VIRONE by Miccell | Symbol: VQ-D06-004039 | Ean: 5908254853159

### PRODUCT DESCRIPTION

The USB-A > USB-C cable is used for charging and transferring data between devices with different types of connectors. Thanks to it, you can **connect a modern device with a USB-C port** (such as smartphones, tablets, wireless headphones, power banks, cameras, consoles) to a computer, wall charger, car charger or power bank with a classic USB-A socket.

It provides stable charging at up to 2.4 A and smooth data transfer, making it perfect for both home and travel.

If you like unique details, **choose a green cable!** Plus, the colour makes it easy to find in your bag or on your desk.
