

USB-A to microUSB cable Miccell VQ-D06, 2.4A, 1m, blue

Marka: VIRONE by Miccell | Symbol: VQ-D06-004044 | Ean: 5908254853043

PRODUCT DESCRIPTION

Tired of cables that break after a week? **This blue 1m USB-A > Micro USB cable** is designed to last longer. **The thicker braid** protects the wires, and the ends do not fall out of the socket. The material used guarantees flexibility and **resistance to bending**.

What exactly does this cable connect? USB-A port (e.g., on a computer, wall charger, car charger, power bank) to a microUSB port (on a mobile device or accessory).

Connect your phone, tablet or loudspeaker – and be sure that everything works as it should.
