PRODUCT DESCRIPTION

Choose a reliable connection! The Miccell VQ-D09 3A cable enables **efficient power supply and smooth data transfer between devices with USB-C port and a computer, wall charger, car charger or power bank with USB-A.**

It works well with smartphones, tablets, wireless headphones, portable consoles and power banks. The length of 1.5 meters ensures comfortable use in any situation: at home, in the office and while travelling.

The **flexible TPE material** guarantees high durability, resistance to bending and a pleasant-to-touch surface, thanks to which the cable **retains its shape even during everyday use.**

The cable is in neutral white colour.
