Marka: VIRONE by Miccell | Symbol: VQ-D09-004055 | Ean: 5908254853210

### PRODUCT DESCRIPTION

Charge your Apple devices with the Miccell VQ-D09 cable. The 3A USB-A > Lightning cable ensures **efficient charging and stable data transfer** between your iPhone, iPad or AirPods and a computer, wall charger or power bank.

The **1.5-meter length** gives you complete freedom – you can use the device even while charging.

The cable is made of flexible and durable TPE material, which is **resistant to bending and cracking**, thanks to which the cable retains its shape for a long time.

The white colour of the cable emphasizes the aesthetics of Apple products.
