

USB-C to Lightning cable Miccell VQ-D34, 30W, 1.2m, black

Marka: **VIRONE by Miccell** | Symbol: **VQ-D34-003760** | Ean: **5908254853197**

PRODUCT DESCRIPTION

Charge your Apple devices faster and more conveniently! The 30W USB-C > Lightning Miccell VQ-D34 cable allows for stable charging of Apple devices, so you can **refill the battery of your iPhone, iPad or AirPods faster than with standard cables.**

Durable braided cover protects the cable from bending and abrasion, while **connectors reinforced with aluminium alloy** increase its resistance to damage caused by everyday use.

The length of 1.2 meters ensures freedom of use at home, in the office and while travelling, and the black colour adds to its elegance. The cable will meet the everyday needs of Apple users.
