

USB-C to USB-C cable Miccell VQ-D34, 100W, 1.2m, black

Marka: VIRONE by Miccell | Symbol: VQ-D34-005988 | Ean: 5908254853203

PRODUCT DESCRIPTION

Get full charging power with the Miccell VQ-D34 cable with a power of up to 100W.

This cable was designed to quickly and safely power laptops, tablets, smartphones and other devices with USB-C port. It will easily handle demanding devices such as a MacBook, ultrabook, console or high-capacity power bank.

The cable also enables efficient data transfer between devices – perfect for work, study and everyday use.

The **robust braided cover** provides high resistance to bending and wear, while the connectors made of aluminium alloy guarantee durability and a stable connection even with frequent use.

The **1.2-meter length ensures comfort**, and the classic black cable colour looks good in any room.
