

## Power charger Miccell VQ-T15, 20W, USB-A + USB-C, white

Marka: VIRONE by Miccell | Symbol: VQ-T15-006234 | Ean: 5908254853272

### PRODUCT DESCRIPTION

Charge your devices without waiting. Miccell VQ-T15 20W **lets you charge two devices simultaneously: via USB-A and USB-C ports**. Connect your smartphone, tablet, headphones or power bank and be sure that each of them will receive stable and safe power supply.

It supports voltages of 110-240 V, so you can use it both at home and on the go.

The **USB-C port offers fast charging** with the following parameters: 5V/3A, 9V/2.22A, 12V/1.67A, while USB-A offers 5V/3A, 9V/2A, 12V/1.5A.

When you use both ports at the same time, the charger automatically distributes power between the ports, which still ensures efficient charging of two devices at once.

The lightweight, **compact design** (61 × 40 × 28 mm) and white housing made of durable plastic make the charger fit easily into a woman's bag or backpack.

## TECHNICAL DATA

### General information:

Input voltage [V]:	110-240
Max current output[W]:	20
Number of USB connections:	2
USB port type:	1xUSB-A, 1x USB-C
Output voltage of the USB-A charger:	5V / 3A, 9V / 2A, 12V / 1.5A
Output voltage of the USB-C charger:	5V / 3A, 9V / 2,22A, 12V / 1.67A
Output voltage of the USB A+C [W]:	15
Width [mm]:	40
Height [mm]:	61
Depth [mm]:	28
Weight [g]:	53
Material:	Tworzywo sztuczne
Colour:	Biały
