

LED COB 5W work light, 600lm, 1500mAh, foldable

Marka: **Virone** | Symbol: **WL-13** | Ean: **5908254840791**

ViRONE

PRODUCT DESCRIPTION

5W LED COB work light with a luminous flux of 600lm and a battery capacity of 1500 mAh will work well in both working spaces (cellars, workshops) and residential areas.

The light has an infinitely adjustable light knob, a built-in rechargeable battery that allows it to work continuously for up to 4 hours, and a battery charge indicator that informs you of the battery's power status, without the risk of unexpected discharge. An added value is the built-in USB port, and the included USB-C

cable allows it to be charged efficiently.

The torch features a rubberised, non-slip handle for a more secure grip. The foldable and movable head allow the light to be better directed to the desired location, while a magnet gives the torch the ability to be stabilised on metal surfaces. The product also has a handle built into the base that allows the torch to be hung in a convenient location.

The product is intended for indoor use.

TECHNICAL DATA

General information:

Lamp type:	LED
Power:	5W
Luminous flux:	600lm
Power type:	Akumulator
Battery capacity:	1500 mAh
Battery type:	Akumulator zainstalowany na stałe
Number of light modes:	1
Modes of operation:	Funkcja ściemniania
Rechargeable:	tak
Battery charge indicator:	tak
Light range:	8m
Color temperature:	6000K
Color rendering index Ra/CRI:	>80
Lifespan L70/B50:	100000h
Degree of protection (IP):	20
Model:	Robocze-warsztatowe
Material:	Tworzywo sztuczne
Colour housing:	Czarny/zielony
Length/height:	395

Width:	35
Depth:	35
Weight total:	202
Charging input:	USB-C
Accessories:	kabel ładowania
Additional information:	ruchoma głowica w zakresie 270°, ruchoma, magnetyczna podstawa, zawieszka
Rechargeable:	tak
With light source:	tak
