

## Multifunctional wireless weather station

Marka: **Virone** | Symbol: **WS-3** | Ean: **5908254826467**

### PRODUCT DESCRIPTION

Elegant: the designer screen with blue LEDs will always catch our eye. Multifunctional: temperature, indoor and outdoor humidity with trend indications, date, time, moon phase, alarm with snooze function, everything we may need. Remote control: up to 30m from the sensor, no need for cables. Easy to use: messages in 1 of 7 languages, powered by AAA batteries, frost- and moisture-resistant external sensor that we won't have to worry about.

## TECHNICAL DATA
